

Your Leadership Has a Pattern.

Most Leaders Never See It.

Twelve fixed ops scenarios. Four leadership patterns. One twenty-minute assessment that shows you the habit quietly running your leadership under pressure, the moment a tech falls behind, a customer pushes back, or the GM wants answers, and exactly what to do about it.

WHAT'S INSIDE

- The 12-Scenario Manager Archetype Assessment
- A full breakdown of all four leadership archetypes
- Coaching Conversations: exact language for the moment
- The Leadership Under Pressure framework
- A 60-Day Action Plan worksheet
- Field Notes pages to track your shift

Pause. Reflect. Lead.
